In collaboration with

Department of Zoology
West Bengal State
University

Lincoln University
College, Malaysia.

Venue: Sarojini Naidu College for Women
30, Jessore Road, Dum Dum, Kolkata, 700028

*"Preventing diseases through healthy environment".....
To address the challenges raised by ongoing climatic changes and its impact on human health, a common scientific platform has been provided to the academicians, scientists, researchers and UG/PG students to exchange their views and ideas. The major thrust areas of discussions are --- allergy, dengue, cancer, asthma, diarrhea, adaptive evolution etc.*

Abstracts (300 words) are invited from interested University/College teachers, research scholars and UG/PG students, for poster presentation, against registration. Last date for abstract submission is 16th November, 2017. Acceptance of abstracts will be intimated to the participants by 20th November, 2017. Participation must be confirmed within 16th November, 2017 through email.
