**ABOUT THE SEMINAR**

**One Day State Level Seminar on  
Mathematics for All  
To Celebrate National Mathematics Day, 2018**

As Mathematics is one of the most important subjects and plays a vital role in all branches of science, it is essential to communicate new research results for better understanding of the emerging trends in Mathematics and its Application in the present scenario. The main objective of the seminar is to bring together the eminent academicians and the young researchers and students to share their knowledge, experiences and latest ideas on the topics of common interests. All branches of mathematics may be discussed in the conference.
