Title of the Program: One day State level webinar entitled “Virtual Learning: Layers and Players”

The IQAC and central Library of Sarojini Naidu College for Women jointly organized a One day State level webinar entitled “Virtual Learning: Layers and Players” on 25th June 2020 at virtual platform WebEx platform.

Objective: The library is an important part of Teaching-Learning Process of any educational institution. However, it can be also a tool of virtual learning also. In fact, during the lock down period, virtual learning is the only method of teaching-learning process. How to maximize virtual learning through use of ICT tools is a very important subject for both faculty members and the students.

Content: Honorable Vice chancellor of the West Bengal State University, Prof. Basab Chaudhuri was the chief guest whereas Speakers were Prof. Parthasarathi Mukhopadhyay, Faculty from Department of Library and Information Science, Kalyani University and Dr. Sushanta Banerjee, Librarian from West Bengal State University. Welcome address was given by Dr. Urmila Ukil, The Principal Madam of this college. The program organizer and coordinator was The Librarian of this College, Smt. Ankira Sanyal.

Prof. Chaudhuri, in his inspiring speech encouraged faculty members and students for using virtual platform more and more. Prof. Parthasarathi Mukhopadhyay described in detail various virtual tools for teaching –learning process. Dr. Banerjee also discussed about methodologies of virtual learning.

Vote of thanks was given by the IQAC coordinator Dr. Sudeshna Chatterjee. There was a time slot for each session of the program and program schedule was given on the main brochure so that participants can easily understand. One social web 2.0 tool “Whatsapp” was used at that time. Two what’s app groups were created at that time for handling all the questions coming from participants. The program was performed on WebEx platform. A support was taken from third party to make it succeed.

Sarojini Naidu College for Women
 Presents One Day State Level Webinar
 on
 "Virtual learning: Layers and Players"
 Organized by
 Central Library and IQAC
 On
 25th June, 2020

About the webinar: Virtual learning is a web-based platform for the digital courses of study usually within educational institutions which presents resources, activities and interactions with a course-structure. It is the de-facto model for authoring and designing teaching-learning environment. Web based learning, likewise provides an arena to support virtual communication using multimedia and internet to make teaching-learning process quite viable and interesting at the aftermath of the Pandemic outbreak called Covid 19. E-learning, therefore, offers a good opportunity to both the teachers and the students to utilize and enrich their potential; and the significant talk on Career Advancement Scheme is an ideal proposition of explaining the promotional hierarchy that directly and indirectly involves the faculties to engage more in academic and non-academic ventures.
