**Title:** National Webinar on Exploring the Different Aspects of Nature Conservation on the Occasion of World Nature Conservation Day

**Introduction:** A national level webinar on exploring the different aspects of nature conservation was organized by the Department of Zoology in association with the IQAC of Sarojini Naidu College for Women to commemorate the world nature conservation day on 28<sup>th</sup> July 2021.

**Objective:** Conservation of nature is of great contemporary importance. We cannot deny how natural resources are being depleted in an unsustainable manner by humans and how we are knowingly as well as unknowingly destroying the nature of our earth. Human activity is believed to have greatly accelerated the pace of destruction of nature since the beginning of the industrial revolution, and this destruction has been increasing at an alarming rate since the past century. Hence it is important to increase the understanding and awareness of this topic. The webinar dealt with various theoretical as well as practical aspects of conserving nature and thereby highlighted the need for increasing awareness on this topic. The webinar increased the outreach of knowledge regarding nature conservation.

**Content:** The program started with the welcome address delivered by Dr. Urmila Ukil, respected Principal of Sarojini Naidu College for Women, followed by an

address by Dr. Santwana Chakrabarti, respected coordinator of IQAC of Sarojini Naidu College for Women. Then a brief address was made by Dr. Mala Bose, respected Head of the Department of Zoology, Sarojini Naidu College for Women. After introduction of the first speaker, the first lecture was delivered by ShriAgni Mitra, Deputy Director, Eastern Region, Wildlife Crime Control Bureau, Ministry of Environment, Forest and Climate Change. ShriMitra has been working as an administrator on wildlife crime control since almost the last 5 years, and he explained in a very lucid way the various challenges faced in conservation of nature in our country, and highlighted the role of the Wildlife Crime Control Bureau in preventing and solving any punishable act related to the destruction of wildlife. The talk was followed by a discussion session in which several questions were put forward to the speaker by the audience, and Shri Mitra explained the answer to each question in a very detailed manner. After the session of Shri Agni Mitra, the second speaker was introduced and the second lecture was delivered by Dr. Sandip Pal, Assistant Professor, Department of Zoology, Barrackpore Rastraguru Surendranath College. Dr. Pal has been working as an educator for several years, and has special interest in Ecology, Evolution and Animal Behavior. Dr. Pal explained about various theoretical aspects of nature conservation. The talk was followed by a discussion session in which he answered questions from various participants. The program ended by the vote of thanks delivered by Dr.Soma Aditya Bandyopadhyay, Associate Professor of the Department of Zoology, Sarojini Naidu College for Women. About

234 people from different institutions and states across India participated in the webinar.

**Outcome:** The topic of the webinar is of great significance and it is important to raise the level of understanding and awareness on this topic. The webinar helped participants from diverse fields to gain an insight on various theoretical aspects of nature conservation, and they also learned about how wildlife crime is being managed in India. All participants responded positively and gave good feedback about the webinar. Participants indicated their willingness to attend webinars on similar topics in future.
