Prof. Banerjee has explained the overall scopes for different students and she imparted the detailed information regarding the various job fields of psychology. This session was followed by the interactive session with the participants. Most of the queries were answered by the Emeritus Professor Dr. Mallika Banerjee. Faculty members were also there to attend the questions of the students.

Overall, the program was successful as a large group of students interacted with the senior professor and got the chance to dissolve their queries. Finally, the program ended around 6 pm with the vote of thanks given by the departmental faculty Dr. Suchismita Sinha. The Department is grateful for the support and blessings to the Principal and other well wishers of the college.

Outcome of the Program:

The students were very much interactive throughout the session. They got the opportunity to ask questions regarding the educational path with the Emeritus professor Dr. Mallika Banerjee. The program was successful as they have reported that they got the information regarding their dream profession and got clear idea about courses through which they can achieve their goals.
