Objective: The Jalianwala Bagh Massacre was said to be the watershed in the history of National Movement in India.A large number of unarmed people gathered in the Jallianwala Bagh on April 13,1919 which was enclosed on all the sides with only a single exit to celebrate Baishashi and protest against the arrest of Saqtyapal and Kilchew defying the then present ban on public meetings as abided by Rowlatt Act.Dyer and his soldiers arrived on the spot and sealed the exit point and without ensuing any warnings open fired on the crowd killing hundreds of civilians until they ran out of ammuniton.

The incident was condemned by a large section of the intellects including Rabindranath Tagore who gave up the title of Knighthood.The incident received immense media ventilation criticizing the horrendos act of the British Government.The then government of India ordered an investigation of the incident known as Hunter Commission which in 1920 censured Dyer for his heinous actions and was ousted from the military.
